Subject: Knowles-Nelson Stewardship Application for 2010-11
Approval for funding – Southwest Neighborhood Special Purpose Park Acquisition

Congratulations! I am pleased to inform you that the grant application submitted by the Village for the acquisition of the Southwest Neighborhood Special Purpose Park has been selected for matching grants funds from the Stewardship Urban Greenspace program up to \$126,100. These funds will remain set aside for this project until March 31, 2011 during which time we will work with you to develop and sign a formal grant agreement. We look forward to our partnership in providing additional outdoor recreation opportunities in your community.

If you do not plan to accept this grant, please let me know in writing as soon as possible. Next month, I will contact you to go over the documentation and reviews needed to move this project through the grant process. Also, please remember that unless you have been granted a waiver of retroactivity, you may not close on the property until you have signed the recreation aids grant agreement.

Thank you for submitting your outdoor recreation project and I look forward to working with you.

Sincerely,

Mary Rothenmaier
