Voter Photo ID

Our goal is for all eligible voters to be able to cast a ballot and have that ballot counted.

Photo Identification Required

Wisconsin law now requires voters to present a photo ID before obtaining a ballot.

Your photo ID does not need to show a current address. Election officials will only be looking at the type of ID presented, the name and photograph on the ID, and the expiration date of the ID.

Photo ID Exemptions

Photo ID is not required for the following absentee voters:

- Military voters
- Voters who are permanently overseas
- Confidential Voters
- Indefinitely confined voters
- Nursing home residents and other voters who have ballots delivered by Special Voting Deputies
- Residents of Care Facilities who are not visited by Special Voting Deputies

Absentee Ballot Requests

Absentee requests for ballots sent by mail must be accompanied by a photocopy or picture of an acceptable form of voter ID. Once you have sent the Clerk's Office a photocopy of your ID, you will not need to send copies with future requests unless you change your name or address.

Hospitalized Voters

Hospitalized voters may appoint an agent to pick up their ballot from the Clerk's Office. The agent needs to bring the hospitalized voter's photo ID to the Clerk's Office. Call our office at 608-222-2525 for more information.

In-Person Absentee Voting

Absentee voters casting a ballot in the City Clerk's Office must present a photo ID just as they would if they were voting at the polls.

Provisional Ballots

Voters unable to provide an acceptable form of photo ID on Election Day will become provisional voters.

Provisional ballots are not counted

unless the voter provides the City Clerk's Office with an acceptable photo ID by 4 p.m. the Friday after the election.

Obtaining a Wisconsin ID

If you are eligible to vote but do not have a Wisconsin ID card, you may obtain a **free** ID for voting. You will need to check a box on the Department of Motor Vehicles (DMV) application to indicate that you need the ID for voting. For more information, see www.dot.wisconsin.gov/drivers/drivers/apply/idcard.htm.

You may need to provide a certified birth certificate or passport in order to obtain your free ID. If you have changed your name since birth, you will need to provide proof of your legal name change.

Dane County Fees Waived

If you were born in Dane County and need to obtain your certified birth certificate to apply for a Wisconsin ID in order to vote, the Dane County Register of Deeds will waive the fee for your birth certificate. You will need to show the Register of Deeds two

documents with your name and address, or you will need to bring along a family member who has photo ID and will corroborate for you.

Unavailable Documentation

Rather than pay a fee for the documentation required for a free Wisconsin ID, you may petition the DMV to verify your identity with a state or federal agency. For details, see <http://www.dot.wisconsin.gov/drivers/drivers/apply/petition-process.htm>. File the petition as soon as possible. The DMV will try to complete verification within seven business days, but the process may take longer.

Best Times to Visit the DMV

For the shortest lines, visit the DMV mid-morning or mid-afternoon and try to avoid Mondays, Fridays, and the beginning and end of each month.

ID customers are given priority service at the DMV. Although wait times vary by location and day, the DMV reports that 70% of customers wait in line less than 20 minutes. Everyone who is in the office at closing time will be served.
